Avila Mercy Hoesley

born into eternal life

January 29, 2026

Avila Mercy was delivered stillborn to parents Kyle and Greta Hoesley on February 3, 2026 at 29 weeks gestation. She was named after St. Teresa of Avila and St. Faustina, the apostle of Divine Mercy. Avila was diagnosed with Hyploplastic Left Heart Syndrome, with the additional complication of an intact atrial septum, and given almost no chance of survival without intervention. She flew to Texas to undergo a fetal surgery to place a stent in her heart and got to stand before the ocean. Surrounded by prayers from all around the country, the surgery at Texas Childrens Hospital went well and was immediately successful, however, Avila's heart failed over the next couple of days, and she died as a result. She was greeted in Heaven by miscarried siblings Noel, Robin and Emmanuel.

Those left to cherish the gift of her life include her parents, big brothers Joachim and Walter, grandparents Sue and John Koch of Berlin, Darci and Bert Hoesley of Arcadia, WI, and many extended relatives.

We will miss our spunky little girl, but praise God for her and continue to trust in His Goodness.

I believe I shall see the LORD's goodness in the land of the living. Psalm 27:13

He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning nor crying nor pain any more, for the former things have passed away. And he who sat upon the throne said, "Behold, I make all things new." Revelation 21:4-5

Family and friends may visit with the family on Saturday, February 7, 2026 from 9-10:00 a.m. at All Saints catholic Parish of Berlin. A funeral Mass of Christian Burial will be held following the visitation at 10:00 a.m. officiated by Father William Kearley.

Burial will follow services at St. Stanislaus Catholic Cemetery of Berlin.
