“ Barbara was a positive, beautiful presence at Golden Sands Lake. I remember coming to her home for a question about local firms - she was obviously not feeling 100%, but with a smile and graciousness, she patiently answered my question!

“ Barb was a friend of ours, from the time we moved to Neshkoro. Our boys went to school with her boys and became great friends. They could be found in our pole barn working on bikes, cars, race cars, and anything mechanical!
When Barb went back to school to become a nurse, I would send her cards of encouragement, and give her Pep talks. She told me she would come home after a hard day of tests, and find a card there for her, and give her determination to keep going! We were so proud of her!
Bill and I did a lot with Barb and Jim. We will miss our dinners with them. We Love you Barb❤️

“ *Barb, I loved working with you for many years at the Aurora Clinic in Wautoma with Dr. Ryan as the provider. I still remember him yelling "Barb" down the hall when he needed something. You were a great nurse, a good friend & a devoted wife, mother, & grandmother. You always had a smile & a positive word for others. I will continue my prayers for you to RIP & for your family to be comforted. Marty Sacksteder*

“ *Barb, I will miss you, I hope you are resting comfortably and enjoying being reunited with Scott. We had many good times together in middle school and high school. I remember your Dad being so mad at us on more than one occasion. I will always hold our friendship close to my heart. Love you my dear friend ❤️*
