“ Todd, Steve, Melanie, Malinda and Chad, Sending my deepest sympathy your way in the passing of your mom. I was watching the Northwestern paper, for additional details and finally called the funeral home and talked with John. Of course, checking the funeral home, first would have saved alot of time. Barb, was a "hoot". Chad, you were almost born in the front seat of my car. Your mom and I, shared alot of life in those few short years. Todd, John, is going to call me with your phone number and then I can call and talk with you. Sincerely, Karen Cartwright
