“ Our 20 year friendship with Becki and Harry has taken us down the road with many wonderful memories; with Mississippi River trips, camping together many places, and our trike trips across Wisconsin. Becki was always there with a helping hand, joining in with a big smile and lots of laughter. She will live in our hearts forever. Love Sue & Russ

“ I cannot express my sorry to Harry and his family in the loss of Becky. There was no Berlin event that Harry and Becky were not involved in together. When Harry was the Chamber Director, Becky put in as many hours with no pay and very little recognition. That wasn't why she helped out. She did it for her love of the community and to be with Harry. Heaven added a brilliant star that will never be forgotten.

“ So many memories! Working on floats for 4th of July parades, the women's softball team Harry coached and Becki cheered, Sheephead games at their house and the kids sleeping in the front room while parents played cards, hayrides, scavenger hunts on New Year's Eves, and so much laughter! We will miss you so much but are so much better for knowing you. Linda and Jerry Reetz
