“ *Thursday mornings would not roll around often enough for Ben knowing it was homemade donut day. He told me once that his doctor said he should have them every day. Ben was a wonderful gentleman that I feel blessed to have met in my life.*

“ *Ben was a friend. He always encouraged me with his comments and thoughts. Each fall I knew it was carrot harvest time when he would come to get "a couple of pails of slicers". I'm sure you miss him. Best wishes to his family.*
