“ Remembering when in high school, Kathy and I stayed with Donny and Betty when our parents went to Florida for a month. Betty was the best dessert baker, we always had cookies, cake and bars to eat, they were delicious. Betty took care of us as if she were our Mom, I always appreciated this. Our prayers are with you Peggy, Adam and Eric. Linda Leppin Jahns.

“ I worked with Betty and Ardene at Ron's Diner. I was a senior in high School at that time. 1970 They were so funny and always laughing. Ron teased them so much but they always had a comeback. I ENJOYED THEM BOTH. I lost track of your mom Betty. She had a long life and I'm sure a fun one. I'll always remember those days at the diner.

“ I give Betty's family my deepest sympathies and condolences with her loss. Looks like she lived a good long life being 91 years young. She is now with her Lord and Savior Jesus Christ and all of his angels and all of her loved ones who have gone before her. I remember Betty through working at Juliette Manor from 1979 to 1996 as a nursing assistant. She was a sweetheart who diligently came to see her Mom Lona Hardel almost on a daily basis to help with her cares as well as her sisters. She was also very cheerful. She had some hard moments, as we all do, at times when there are disagreements with the cares her mom was getting. But we worked it out and mended it so all was okay. May her family find peace with her passing for she is in a great place with no more pain or suffering and is free to be with everyone she loves. May her family take care and you will be in my thoughts at this time. Best regards to a fine woman, Marianne Darnick Schultz
