“ I have fond memories of Bev as we grew up as cousins, her Mom and my Dad were siblings. Bev and I recently reconnected with the help of Derald Kettlewell. Thankful for our recent phone visits.

I also have great memories as a child I spent every summer with a overnite visit with Beverly. Her motherAunt Vena, and my mom Jennie were sisters. My last visit with Bev was at cousin Ruth's home a few months ago. Gave her some of my books. Good memories of Beverly.
