“ I haven't seen Blanche since I was a child. My mother was friends with Izora and Walter. I used to visit them all the time when they lived on Hammond av.they had a big old piano which Blanche could play. They let me pretend that I could play also . Spent a lot of time at their house.and although younger than Blanche ,she spent time with me and was always kind. So sorry to hear of her passing. Sympathies to her family.
