

Carl Schroeder

May 16, 1955 - October 3, 2018

Carl Schroeder, age 63, of West Bend, WI passed away on October 3, 2018 after a 43-day hospitalization at Froedtert Hospital in Milwaukee. He put up such a courageous battle after hospital-acquired side effects of stem cell transplant.

Carl is survived by myself, Sharon Harvey, his beloved of the past 24 years. I miss him dearly and always will. He is also missed so much by Mumba, his special cat. So sad to see Mumba lie atop Carl's shirt and just cry.

He is also survived by a son, Aaron (Laura), of De Pere, WI. I know that he loved Aaron very much. Survivors also include his brothers, Eric (Carla), Louis (Joyce) and Allen (Shirley); sisters, Karen (John) and Dawn. Carl was loved by his family and he loved them, and also by my family, brothers, Wilbur (Janis), Bernie (Kathy), Jerry (Sharon), and Gary (Karen) Johnson.

Cheyenne Kidrick, my granddaughter, also became Carl's special granddaughter, when she was born 15 years ago. We have had so much fun with her over the years. He loved playing baseball with her and many other fun things, going to Brewers games, movies, fairs, etc. Carl is also missed by my daughter, Gina, and her husband, Ken. He was loved and will be missed by so many that knew him.

Carl was preceded in death by his parents, Howard and Shirley Schroeder. Carl was employed at Fleet Farm in West Bend. Previously he had been employed at the Berlin Foundry for almost 30 years. He was a wonderful caring man. He always helped others who needed help. He loved fishing,

especially on the Fox River in Berlin. We had such great times fishing! He also loved Brewers baseball. He had a great laugh and was always telling jokes, most of which I would never repeat. He absolutely loved cooking, and I sure will miss those wonderful meals he made. Everyone also knows that Carl always enjoyed a nice cold beer. Carl and I liked going to the casinos whenever we could. That was fun. We also enjoyed traveling. So much left undone.

I will always love you, Sweetie.

Tribute Wall

“ *My condolences to Sharon and the rest of Carl's family. I worked with Carl at Fleet Farm. He always put the vacuums together for me that we used for displays. I greatly appreciated that! He was very good at his job in the Receiving Department and had a great sense of humor. I'm so sorry to hear of his passing. Lynn Frase*
