“ Carol and Carol were our loving neighbors and friends who living directly across the street from us for 24 plus years. Carol was such a good cook, loved Flowers, sharing her ladies magazines with me to read and to take up to Juliette Manor afterwards to share with folks up there. Also she shared her love for dogs as they had two black poodles earlier in their lives Pepe and Pierre. Carol always enjoyed visiting with our Dogs especially our Chese/ Lab, Snickers. When they traveled to Florida, we kept in contact with them via Yahoo email. We especially enjoyed emailing then pictures of their snowy House after a great snow fall to let them know what they were missing in Sunny Florida. Latter after moving to the Patriot Place we enjoyed visiting Carol up there sharing my garden fresh tomatoes with her. Also she enjoyed fresh flower arrangements. It was also fun going on walks with Carol visiting all the people she knew up in the Patriot Place. we will miss Carol greatly but will keep her Spirit alive in our hearts. Our Hearts goes out to her Family. Always Annette and Tom
