

Christopher Lemmon Sr.

December 25, 1960 - January 25, 2024

Christopher John Lemmon , age 63 of Berlin, left us unexpectedly on Wednesday night January 25, 2024.

Chris will always be remembered for his absolute devotion to friends & family and for his loyalty to the Green Bay Packers.

He was always eager to start a project knowing the possibility it may not get finished on time.

His excitement to bust out a joke will be missed almost as much as his enthusiasm to cook for everyone.

One of his biggest strengths was his heart of gold and his biggest weakness was his two dogs, Bailey and Gracie.

He is survived by his only son, Christopher, who was also his dearest friend and his girlfriend, Alisa, who loved Chris unconditionally; and his loving sister, Bridget.

A celebration of life will be held for Christopher in June in conjunction with his brother Patrick who also passed away at the beginning of this year.
