

Cindy Herbst

April 17, 1959 - December 29, 2022

Cindy Herbst, age 63, of Princeton, passed away on Thursday, December 29, 2022, at ThedaCare Berlin.

She was born on April 17, 1959, in Oshkosh, the daughter of Adrian and Mabel Brown.

On August 17, 1996, Cindy was married to the love of her life, Gary “Duke” Herbst at the Federated Church in Berlin. Together they share 26 wonderful years, always enjoying each other’s company, whether visiting with friends, watching old TV shows, or laughing and living life to the fullest. Cindy and Duke were always together no matter what.

Cindy came from an extended and but very close family. The annual Brown family reunions were something she would look forward to every year, the jokes, the laughs and getting to see everyone was always a blast and earned her the nickname of “Little Firecracker!”

Her children were her world. Her oldest boy is Jason Roberts who also happens to be the father of her cherished granddaughter, Madison. Her face would light up when talking about her very special and loved granddaughter. Cindy is also survived by her youngest son, Corey Cihlar whom she lovingly referred to as her baby boy. She did everything for her babies, she constantly worried if her baby boys were OK and had everything they needed, earning her the best mom in the world title from her boys.

She is survived by her eight siblings and their families, Henry Brown, Rick and Kelly Brown, Dorothy Nelson, Irene Zweck, Kathy Juedes, Betty and Roy

Carpenter, Edna Brown, Ruth Macintos; many dearly loved nieces and nephews; other relatives and many friends.

She is further survived by very special lifelong friends, Karen Johnson and Laurie Bluhm were a big part of her life. Cindy had many cherished friends and was loved by just about everyone she met. She will be forever missed, never forgotten, and her memory cherished by all who knew her. Our Angel will always be with us!

A celebration of Cindy's life will be held at a later date.
