“ *I gave Colton a tour of Ripon College once, hoping he would eventually be a student there. I am so sorry that things didn't work out that way, and I'm sorry for his family, his friends, and the people who would have benefited from his life.*

“ I have had many good times with Colton. We have shared memories at the spring lake house, and the Berlin house. He is always so much fun to be around and is so smart and loving. Some memories include going to the escape the fate concert, spending time in poy sippi at lexies, and hanging out with him at his house or friends houses.
