“ Hey Cindy, we met in 7th grade confirmation classes and became best friends. We had a lot of fun all through high school and after graduation too. I started taking a trip to Ripon to visit Donny on the farm. That's where you met Jim. You ended up getting married before we did! A lot of years have passed since then. You've been a good friend and sister-in-law and you will be greatly missed. Love, Debby

“ Cindy, I'm so glad we became friends on the first day of kindergarten and then through out high school. We worked at Wilson Hurd all those years. We stood up for each others weddings. We had a lot of good times that I will never forget. You were such a good friend. Jim, Betty, Peggy and families may the Lord put his loving arms around you and comfort you in your time of sorrow.
