

David Gurule

January 30, 1957 - August 1, 2022

David Gurule age 65, of Wild Rose, passed away on August 1, 2022, at Patriot Place of Berlin.

He was born on January 30, 1957, in Colorado.

David studied his master's degree in Library Science at Indiana University, then studied geology and history at the Metropolitan State University of Denver, later being employed as Librarian for the Denver Public Library.

He loved baseball, fishing, camping, and walking in the mountains.

David learned at an early age that upon his birth he was placed in the foster care system. A lifelong journey of searching for his birth information resulting in being reunited with his birth mother Lucille Gurule and able to visit her in her final days. He was also able to reunite with his sister, Annette and other relatives. David's search also provided valuable information on his heritage dating back to many generational ties to the Chiricahua and Mescalero Apache nations. A heritage he embraced and immersed himself for the rest of his life.

He is survived by his sister Annette (Bill Gingras) Ghezzi; other relatives and many friends.

David is preceded in death by his life companion, Chris; Mother Lucille Gurule; and brother, Mitch.

Following his religious beliefs, a funeral service will be held at 11:00 a.m. on August 11, 2022, at the Wiecki-Skipchak Funeral Home with Chief Robert Brown officiating.

Burial will follow at Oakwood Cemetery of Berlin.

“ Knew Davis from high school. one of my favorite stories was after he graduated from college with his bachelor's degree, he took a job in Grand Rapids MI. He had never been exposed to damp cold. I got a call from him in December asking if I could help him drive home to Colorado. I got to the Grand Rapids airport where David met me. Well, we headed off in his truck and drove over 1,200 miles. The truck was using a quart of oil every 100 miles! we burned through a case of oil on that trip driving through temperatures that were in the minus zero category. I left Denver on December 26, and was back in Denver in time to celebrate new years. David left to go to Texas 2 weeks later to help a friend, got as far as Trinidad CO, and the poor truck blew up! just one of the adventures!!
