“ *From Charlie Kolpin - saw this and it brought back memories from so long ago. Christine we started school together, both had whooping cough in first grade, and you, Ricky Masten and I had a war going for a while. It was Poy Sippi where EVERYBODY KNEW EVERYBODY! Hannemans had their home on the pond; the fishing spot West of your place was/ maybe still is known as Hanneman's Bayou. and your Grandpa "drove the snowplow". I now finally realize that he probably didn't sand the street past Godson's house intentionally so we kids had a place to slide - Thanks Chris though many years overdue. Basically just checking in and glad you had a full life obviously sorry for your loss. Sometimes, it's so easy to lose track of people you grew up with but they are never really forgotten. BTW, I still have a picture of our 1st and 2nd Grade Class with Mrs. Timm. Christine - my/our best, Charlie Kolpin*
