Remember Dave and Smile

Don't forget the buns: Life is full of risks and rewards as a volunteer fireman Dave fell thru a second story floor of a burning building, but when our parents' home had a small chimney fire on the day of the Annual Fireman Dinner the crew rushed in and rescued trays of dinner rolls fresh from the oven. {Priorities} Remember Dave and smile

When faced with challenges: At 23 while serving in Germany Dave completed the "Crossing the Rhine Challenge". Eight grueling day exercise to test their engineering skills full of obstacles, while required to complete their daily duty assignments as well as competing. The reward a "pint of ice-cream". Raise a spoon or a pint and remember Dave.

Bless a stranger when no one else is there. One job that Dave held was driving the vault truck and digging the graves for burial. Earning him the nickname "Digger". Many times when doing the spring burials for people that passed in the winter no one would show-up for the final burial, Dave carried a prayer card and always blessed the stranger. With Halloween just a few days away I remember someone placed a dummy on the vault truck when it was parked in front of our home not to be out pranked Dave placed the dummy in the restroom of Bud Shell gas station alarming many patrons. This year pull a harmless prank, smile and remember Dave, pass by a cemetery and say a prayer.

Go Green: As a member of his high school Conservation Club Dave planted row upon row of pine trees on our property in the country, hauling water until they got their start. Take a drive by the old house and pause at the top of the hill and see them towering in the distance. Breathe the air and remember Dave

When you see an ad for the American Red Cross Blood Drive remember that Dave was a member of the "50 gallon Club" that's

400 plus donations. Give back to your community Smile and think of Dave.

Live & Love Dave didn't marry until he was 45 but he still had 34 years with Sue. Smile and remember Dave I know I will. Love to all Aunt Mary
