

Dean Perry

June 20, 1962 - May 12, 2025

Dean Bradley Perry Jr. age 62, passed away on Monday, April 12, 2025 after battling numerous health conditions for many years.

He was born on June 6, 1962 in Key West, Fl.

Dean was a hard nut to crack, or that is what he wanted you to think. The truth is that he was a very empathetic person that cared a lot about others and their wellbeing. He loved animals, and he was a fantastic pet parent. He though the world of his cat "Raider" and "Sparky" his dog. He had a fantastic sense of humor and loved to banter. He wasn't everyone's cup of tea, but you may not have been his cup of tea either. He did not hesitate to tell others when they were out of line, but he was pretty good at correcting his own errors. Dean was proud of his Native American heritage and having worked in construction for many years.

Survivors include his mother, Joanne Himberg; sister, Debra Bennett; good friend, Brigete Lemmon; and his beloved cat, Raider.

He was preceded in death by brothers, Christopher Galasinski and David Perry; sister, Kelly Perry; and his beloved dog Sparky.

Dean chose to have private funeral arrangements. If you feel you need to do something in his memory, please donate in his name to a local animal shelter. This would have made him very happy and proud. Hug your cat or dog for him today.

Those of us closest to Dean would like to thank the staff at Aurora Medical Center in Oshkosh for their diligence in helping Dean address his health needs over the years and ThedaCare Berlin and Appleton for their efforts in the past month. We know you did everything you could to help him and treated him and us very well.
