Family stories, kitty stories, learning of distant relatives, sharing pictures and reflective thoughts... So many wonderful, life-long, cherished memories of my 2nd Mom, my Auntie Bonnie. “ *My most fond memories of Auntie Bonnie were at the Family Christmas party in her basement and her singing harmony with her beautiful voice. I still remember the location of the tree with the hard cherry candies hanging on the branches. Auntie Bonnie was warm and welcoming and I loved being in her home ❤️*

Bonnie was a cousin of mine, and it appears that I must have missed knowing her from all the nice things people are saying about her. It sounds like I would have liked her, as I also enjoy some of the same things she liked. I have been having an email relationship with her for a few years, where we passed emails back and forth to each other. Some about jokes, politics, relatives, at least I did have a little contact with her. You have my sympathies for your loss, it now appears that she has reunited with a number of her family in Eternal Peace. For those of you wondering who is Bruce Rindahl, My father was Eddie Rindahl a brother to Oscar. My mother was Doris Rindahl. We lived in Underwood, Mn. and my father farmed there for many, many years. I guess that because of dad farming and the distance to Wisc. the families did not interact with each other, thus we as kids never got to know each other. If my mind lets me remember correctly I did meet Oscar and Julia one time, when I was elementary age kid, they drove into the yard with very large pretty car and I liked it. I am 71 years of age, and live in Sauk Centre, MN. I am retired. My wife of 47 years is Dianne. She is also retired nurse after over thirty years. I guess I will leave this as it is. Again so sorry for your loss, she apparently was a lady to respected and loved. God Bless you all May he reach out to each of you and assist you as you mourn the loss of Bonnie. Bruce Rindahl
