

Dennis Malson

January 21, 1968 - August 18, 2025

With broken hearts and fond memories, we announce the passing of Dennis Malson, 57, of Berlin, on August 18, 2025.

Dennis was truly one of a kind, the funniest, most unique man you could ever hope to meet. He had an unmatched sense of humor and a love for the outdoors, where he found the most peace.

He is survived by his loving daughters, Stephanie Malson, Katie Malson, and Ronnie (Andrew) Hagar; grandchildren, Paisley and Jaxson Hietpas, Oliver, Elliott, and Amelia Hagar; his devoted mother, Donna Malson; brother, Doug Malson; sister, Davi Malson; special friend Kim; his dog and best friend Charlie; other relatives and many friends.

Dennis is preceded in death by his father, David Malson and dog Rozzie.

His family, friends, and everyone who ever had the privilege of knowing him will forever carry his love and endless stories in their hearts.

Dennis was a man who lived life his way and, much like his favorite movie, *The Big Lebowski*, he always reminded us to "take it easy, man." So, in his honor, we'll keep laughing and keep living.

"The dude abides and so will we"

Goodnight sweet prince

A family celebration of life will be planned for the future
