“ We send along our deepest thoughts and prayers of sympathy to all of you on the passing of our dear friend, Don.....He loved life and his family and so enjoyed getting together with his classmates at the reunions and sharing special times spent together. We enjoyed our conversations with him especially the last year and had intended to visit on July 6th....however we shared that day with Chilton classmates from Janesville sharing our memories of Don with each other. May you be comforted by his memories in the days ahead. Al and Marcia Woelfel
