“ I will always remember Uncle Donny as one of the best fisherman next to my dad. He was always willing to share fishing stories and the good times he had. I remember when he lived in a little cabin next to my grandparents. He had a big heart and always loved seeing us girls. Whether I'd run into him at the locks fishing or in the store replenishing his beer supply he always had a smile and a hug for me. Rest in peace Uncle Don! Catch some story tellers up there with dad!
