

## Mrs. Dorothy Lohela

October 5, 1922 - September 22, 2016

Wife of Edwin and Mother Extraordinaire

Mom was born into a large, proud farm family in rural Fond du Lac 93 years ago. Her parents left Germany for a new life in America. Upon completion of school, she moved to Milwaukee where she met our dad, Edwin. They married in 1944 and on August 10 celebrated their 72nd Anniversary. In all that time, we don't recall one argument.

She was an active member of St. John's Church for 56 years and served in countless ways. She and dad delivered "Meals on Wheels" with a smile for many years.

Mom liked to bowl and play Sheepshead and was pretty good at both. She did the newspaper crossword puzzle every day with an ink pen. Camping at Hartman's Creek was on her list of favorite things to do. Her singing was not limited to the church choir, but a part of her daily life at home.

Dad was convinced he was a king and every grandchild and great-grandchild were sure they were her favorite.

She was witty to the very end. When asked shortly before passing, "How do you feel, mom?" She replied in a soft voice "with my fingers".

Her life will be celebrated on her birthday;
