

Douglas Fralish

August 23, 1949 - June 18, 2024

Douglas Ralph Fralish age 74, of Berlin, passed away June 18, 2024 in his home after a hard fought battle with cancer.

Born August 23, 1949 in Berlin to Ralph and Virginia Fralish, he is survived by significant other of 19 years Jane Ina, brother Mark (Mary) Fralish, nieces and nephews, and many dear friends. Doug was preceded in death by his parents Ralph and Virginia Fralish and brother Dale Fralish.

Doug was an avid bear, deer, and coon hunter, loved riding his Harley Davidson motorcycle, and attending car shows. Doug was a member of the Berlin Conservation Club, lifetime member of the Wisconsin Bowhunters Club, lifetime member of the Wisconsin Bear hunters Club, and a member of the Wisconsin HOG Chapter Harley Davidson Club.

After Doug received his high school diploma, he attended Fox Valley Technical College for four years where he received a degree for Auto Mechanics. For forty-six years, Doug was a construction worker/laborer for the Laborers' International Union of North America (LIUNA) out of Neenah, WI.

When you think of Doug, his family would like you to celebrate the good memories you have of him. Remember that life is fragile and short and should be lived to the fullest. Doug had incredible optimism and a wonderful outlook

on life. When Doug wasn't busy making other people laugh and trying to get them not to take life so seriously, you could find him enjoying the outdoors.

“ *I'll never forget the memories I had of the 3 boys(my cousins).... Dale, Doug and Mark coming to our house to help bale hay on the family farm back in the early 70s. Each one had their own hot rod and I swore they raced from their dad's place on Highway 21 to our place. Loved hearing them coming from miles away... Just some really 😎 cousins. Doug you always had time to sit and reminisce with us when we stopped in at your dad's place. I will miss but cherish those memories. Rest in peace Doug.*

If there was ever a neighbor to have it was Doug. If there was ever something you needed help with it would be Doug. If there was something that was not right in the neighborhood you could count on Doug to report it. He will be missed and thought of every time I make the corner on Cottonville Ct. We lost a GOOD MAN!
