“ Fred and CeCe Metzger send love and prayers to the Marley family.

It is still so new & all we see is the empty space, but that is not how it is in the landscape of the heart. There, there is no empty space & he still laughs & grapples with ideas & plans & nods wisely with each of us in turn. We are proud to have known him. We are proud to have called him friend.

“ *I met Drew through his sister Erin and my nephew Sam. I loved Drew. I am so sad, as his whole family is now. I miss his hooded figure that is now only lurking in our hearts. - Tona Basile*

“ *Drew and his parents came to visit his Uncle Paul and me at our townhouse when he was two! He was with his folks, sisters and his Grandpa and Grandma Marley. He had a new pair of cowboy boots on and was very proud of them. He was running around kicking people having learned he could get a reaction from inducing pain! The memory of the delight on his face and twinkle in his eyes as he did the “kick and run” makes me smile thinking about it!💕💕 Precious memories of an evening of family, laughter, fun and a happy little two year old with new cowboy boots! Love and prayers for your entire family and all who are mourning the loss of Drew, his smile and that twinkle in his eyes! 💕🙏😭*

“ It was impossible to be around Drew and not find yourself laughing. His personality was unlike anyone I’ve ever known which is what always made socializing with Drew a memorable time. He will be missed dearly.

“ Well Drew I met ya when I was about 17 and the first weekend I was helping your dad make wood caskets for cremation and we were friends ever since 😊. I hope you’re resting in peace or living it up with all of our friends that are there with you...your humor will be missed, but you will be missed even more 💔💔
