“ *To my loving Godmother (Nina), I will forever remember the greatest act of kindness you showed my family. If it wasn't for you I would never be in the USA, you sure knew how to convince my parents. I always loved listening to your story about how I sat on your lap the entire ride to a new country which I call home now. Thank you for wanting a better future for my family & I. I will forever be grateful. ❤️ Thank you to my prima Chita for giving me the opportunity to say goodbye to you & tell you how much I love you and to have given you the reassurance that God would be with you and you would no longer be in pain. Though you struggled to speak, I know in my heart that you were telling me you loved me and to take care of myself. You will forever hold a special place in my heart. May you Rest in Eternal Peace in Paradise Nina.* ”
