“ *There are no coincidences why people meet, and Mr. Brudnowski was one of them. We met a short time when I needed him as a friend and a father. The advise he gave me has always stayed with me. For he was one of the villagers who made me who I am today. Mr.Brudnowski you're in a good place. No one will be able to separate you from the love of GOD. Romans 8: 38&39. Amen*

“ *Uncle Gene had a big influence on my life. When I was little he seemed so tall, gruff and scary, until he smiled to let you know he was joking. From Uncle Gene I heard my first cuss words...Horse Hockey! He would tell us to "Shut your mouth when you're eating", "Close the door, were you born in a barn?" I also overheard my first dirty joke that he was telling my Dad and when he saw that I was listening but scolded me, "Little girls shouldn't have such big ears". I loved when he laughed though, he had a roaring laugh and it would make me smile. Uncle Gene may be gone, but I will always have my memories of him.*
