“ *Your infectious laugh and huge smile brightened any room! You were one-of-a-kind, and you will be deeply missed. It's time to turn down the lights to start that big gig in the sky! Rest in peace, Fred! Love, Sandie Heinecke (Thiel)*

P.S. Fred and The Chevrons played at my wedding, as well as my brother's wedding. He worked for my dad, Leo, at Cadillac Plastic, where I also worked. As the boss' daughter, Fred was often in charge of correcting my mistakes or teaching me something new. He was a wonderful teacher and friend.

“ *I am blessed to have many wonderful memories of making music with Fred in the St. Philip Neri church choir. Fred and 'the guys' were always very kind to me, even though I started there as a young whippersnapper. This year I surprised us all when I taught Fred and Carol how to use Messenger video chat, and he complimented and encouraged my latest musical ventures. We enjoyed a nice visit at their home in September. Fred's legacy is evident in his family and friends who mourn his loss here on earth. My deepest sympathies to his loved ones.* 🎸 🌸
