

Jacob "Jake" Jezwinski

July 15, 1985 - January 22, 2022

Jacob "Jake" Edward Jezwinski age 36, of Redgranite, passed away unexpectedly early Friday morning, January 21, 2022 at his home.

Jake was born on July 15, 1985, in Berlin, a son to Douglas and Glenda Jezwinski.

In 2009, Jake discovered the joy of having his own son, Anakin. Together they were the best of friends and doing everything together.

Jake was employed at Stone Ridge of Wautoma. He worked in the smokehouse and enjoyed what he was doing.

Jake attended Redgranite, Berlin and Colorado schools. He extended his schooling at the Art Institute of Milwaukee.

Jake is survived by and will be deeply missed by his parents, Doug and Glenda (Hobbs) Jezwinski; his son and best friend, Anakin Jezwinski; sister, Chelsie (Nick) Osterberg; nephew, Maverick Osterberg; niece, Oakley Osterberg; grandparents, David and Doris Jezwinski; godparents, Bill Brooks and Julie Keelor; and many aunts, uncles, cousins and friends.

He is preceded in death by his grandparents, Edward and Rose Hobbs; cousins, Joshua and Mackayla Hobbs, Brian Jacob Pike, Lexi Briski, and AJ Inosencio.

We all knew Jake had a heart of gold, however reading the many posts on his facebook, he had a heart larger than we could of ever imagined. Jake will be forever missed by many, but he will be loved forever. Anakin will grow up with so many memories of his dad, memories he made with him.

His absence is a silent grief, his life a beautiful memory.

Jake's family would like to thank everyone for their thoughts and prayers to help them through this very difficult time.

“ *My sincere sympathy to all of Jakes family and friends. I feel your sorrow and share my thoughts and prayers with you during this very difficult time. I personally did not know Jake, but my deceased husband Bob had a long time friendship with many of the "elder" Jezwinski family members. He often told many stories over the years about their growing up years as neighbors, being schoolmates, getting into mischief!, sporting activities, vacations and hunting trips together. So many good memories to cherish and I'm sure you all have good memories to remember with your dear Jake. May God Bless you in your grieving days ahead. Take Care, Shelly Chikowski*

“ My favorite memory with Jake was after a sleep over with our kids which was an absolute blast, he woke us up early and told us to go get in the car. He said it was a surprise and he couldn't ruin a surprise. When we turned down that gravel driveway and I saw the horses my face instantly lit up, and so did his. He knew it was a dream of mine to start riding horses again...He made that dream a reality and got me in the saddle again. He was such a kind-hearted thoughtful friend like that.

I chose the angel because he always called me his angel, and he was my knight. He will be missed more than words can explain.

Dear Jake, Heaven just got even better now that it has you up there. Rest peacefully.

Love always, Leah

“ I have decades of memories with you Jake the Joyk 🥰 it is with an incredibly heavy heart that we have to say goodbye. Thankfully, we were able to share a special time together growing in our faith walk alongside Christ! God bless those moments we were able to share with the highlight being Lifest! Staying out till 130am because of our lifetime chance for a meet and greet with Brian HEAD Welch from KoRn. Watching the 2 of you talk for 20 minutes straight, him putting his entourage on hd just to keep talking with you. Such an incredible opportunity and it is one of many instances I got to share with you. I remember exactly where I was when you told me Anakin was born, how proud you were to be a dad, how hard you fought for him from day 1. Although I should be happy in the confidence of your salvation, I am selfishly sad because we will no longer endure this earthly life together. Rest well, fly high and enjoy eternal happiness! I love you Jake, forever and always a best friend!

“ I remember when we first moved to Berlin, he was one of the first few people I met on the bus. We became friends I think in my sophomore or junior year because we had a lot of mutual friends. He was always a cool dude, kind person, and just a chill person overall.

I remember talking to him now and again after I got out of the Navy and he seemed to be doing alright. Many years from then we touched base now and again, and he always seemed to be doing well and always was a great person to talk to.

He definitely was a unique, wonderful, funny, kind, and amazing person and the world seems a bit darker without him in it. I'll definitely miss him and always look back on my memories of him sitting on the bus, listening to music, and having a smile when talking to him
