“ *Romie was my kids bus driver for the last 6 years.. Couldn't have asked for a more amazing and patient bus driver to watch over them! We will truly will miss him. We gave him a snowman ornament that read World's best bus driver" and a key chain that read "An awesome school bus driver is hard to find, harder to leave and impossible to forget." Truer words couldn't be said! He will be impossible forget! My deepest sympathy to his family!*
