“ We would see John working for the City along Madison's State Street early on Saturday mornings. He would give you a big smile and the feeling that he liked talking to you and his job working outside.

“ This is Denny Wendt and I grew up with John in morrisonville. We had a lot of fun as kids in that little town. I would like to send my sympathy to the Cline family. I along with Snuffy would like to express our sympathy to Jim in person if we could get your address. Rest in peace Jack.
