God's Garden

God looked around the garden, And found an empty space.
He looked down upon the earth, And saw your tired face.
He put His arms around you And lifted you to rest.
God's garden must be beautiful For He only takes the best.
He knew you were weary, And He knew you were in pain.
He knew you would never Be well on earth again.
He saw the roads were getting rough, And the hills were hard to climb.
So He closed your weary eyelids, And whispered peace to thine.

“ Jack was a very generous man. Jack and his brother Benny were good friends of our family. They were kind enough to let us hunt on the family land during gun season. We are very happy that Jack was able to go out one more season before his passing.
