“ I am so sad to hear that Joyce has passed away. She has always been a part of my family even though she has been far away from us. I have good memories from her visiting my family here in Norway, her phonecalls on Christmas day to check in to hear how all of us were doing. Also a lot of emails has been exchanged over the years. We will always remeber Joyce, and sends our love to the family and friends in the USA.

With love, Christine Dumben, Norway
