“ *Cousins are our first childhood friends. Sledding down the hill at our grandparents till someone hit a tree and it wasn't fun anymore. Playing in the Winnie pretending it was our house. As adults meeting up for a night out or a short day pub crawl. Karen's laugh and smile will always have a special place in my heart. Love to all*

“ *We are so very, very sorry for your loss. We girl cousins (and many times the brothers) had so much fun at each other's and Grandma and Grandpa's house, swimming, chasing the pheasants after they got out, then getting yelled at for chasing the pheasants, (ha ha), dressing up as punk rockers and going to every haunted house we could find. So many wonderful teen memories. I'll never forget Karen's giggle and heartfelt laugh. I'm so sorry for your loss. We won't be able to make it to her services, but you all will be in our thoughts and prayers as you navigate this most difficult time. Our deepest condolences, Renee, Joe, Tehya, Kailei Wachuta*
