“ I remember coming over to the house to have some of Uncle John's Spanish rice. Yes Kenny was running in and out of the house all the time. Fun days.

So sorry for him and family, but the Lord helps us.

“ I think Ken & Nancy had been married a short time (or even still dating), but I thought it was super cool that Ken took me out duck hunting and another time trapping. I had never done either. These are good memories of a very likeable man.
