Ken was born the same day I was. Just that he born three years earlier. That's is a reason why I can relate to him.

“ I will never forget Ken's generosity, humor, and overall kindness. I've gotten the honor of having his friendship my entire life. From all the hunting and coffee visits to the laughs and teasing each other, we had many good times over the years. He was a wonderful man, and his loss is felt by many. My family and I thank him for everything he's done for us. We pray he is at peace with God in eternal happiness.
