Layla Mae Jacobson was born into the arms of angels on Monday, May 12th, 2025 at 11:32 AM. Layla measured 3 pounds 4 ounces and 14 inches. Following a rare diagnosis of thanatophoric dysplasia, she was born sleeping at 34 weeks gestation. Layla was able to spend the day being held by her mother, father, big brother, and grandparents. Layla's family sees her in white blossoms like her birth flowers, lily of the valley and hawthorn. They are looking forward to being reunited with Layla in Heaven someday.

Layla is joined by many family members in Heaven including her great grandmother Donna Mae Hanke, great grandfather Vern Leroy Jacobson, and great-grandfather James Leo Kasuboski.

Layla is survived by her parents, Cody and Abigail Jacobson; brother, Liam Jacobson; grandparents, Doug and Shari Jacobson, and Trevor and Karin Hanke; aunts and uncles, Amanda Hanke, Brady Jacobson, Alex and Taylor Hanke, Kylie and Trevor Hines; great grandparents, Jeanette Kasuboski, Lloyd Hanke, Robert and Barbara Fett, and Wava Jacobson.

The Jacobson family would like to extend heartfelt appreciation to the staff at St. Agnes Hospital and Wiecki-Skipchak Funeral Home for their compassion during this time.
