

Lenn Rohde

April 30, 1939 - October 22, 2023

Lenn N. Rohde died on October 22, 2023 at his home in Neshkoro, WI.

He was born on April 30, 1939 to Norman C. and Florence C (Poch) Rohde in Milwaukee. The family moved to Grand Rapids, MI and later PeeWee Valley, KY, where he graduated from Oldham County High School in 1957. Lenn served in the Army Reserves from 1960-1965. At the age of 14 while skinning a rabbit at home, he met the love of his life when his parents invited the Heim family over for a picnic. He looked up and saw a long-legged girl with a high ponytail getting out of the car. He knew then that Betty was the girl he wanted to marry. Lenn and Betty were married on September 10, 1960 at Holy Name Catholic Church, Louisville, KY.

Shortly after, the couple moved back to Wisconsin and settled first in West Bend and then the Allenton area where they raised their three children. In the early 1960s Lenn worked as a mechanic in Milwaukee and during that time was mentored by Art Lonergan, a West Bend naturalist, and learned about trees native to Wisconsin. In 1965 Lenn started Rohde's Nursery, selling trees wholesale in the area. He also landscaped many homes and businesses in the West Bend area, using natural landscape designs with native trees and plant material. During the energy crisis in the 1970s, Lenn started Silver Star Corp, manufacturing woodburning stove add-ons and eventually utility trailers while still maintaining his nursery business.

In 1961 Lenn and Betty purchased "The Farm" in Neshkoro. This was where Lenn dug truckloads of Birch, pine, maple, tamarack and other native trees, using them for his landscaping jobs and selling wholesale across Wisconsin. The Farm was also the weekend destination for the family and many friends for gathering to hunt, bonfires, hayrides in the woods and many other activities. Lenn always referred to The Farm as God's Country. In 1984 The Farm became their home and Lenn continued the nursery until his health declined in recent years.
