What a beautiful tribute to Lenora and her family. So many beautiful memories. She was a truely amazing strong determined woman. I came along a little later when I cared for her son Bob but I enjoyed every moment. Taking Bob and Lenora to a barbaque or just a drive down memory lane. I learned alot about the family history. She was loved by all of the caregivers including me. I will never forget the times I spent with the Timm family. A true testament what family is and always being there when needed. Rest in Peace sweet Lenora aka Grannie you are free from any pain and sadness this world brings. With your Husband Son Sister. THE LIGHT WILL SHINE MUCH BRIGHTER IN HEAVEN. Now that you have gone home. Thank you for letting me be a part of your journey in life. Until we meet again. Rip my dear. Godspeed

What a beautiful video. I have very fond memories of my Aunt Lenora. She always seemed to be doing for others and working in the background when our family would visit. I seem to remember she was very camera shy too....so it was so nice to see all these wonderful memories. I also remember her chickens! It's been years and years ago, but I can still see her tending to her very large coop multiple times per day. Sending my sincerest condolences to all she leaves behind. It's so clear in these pictures that she was deeply loved by her family.

“ Sincere condolences to Kathy and Lenora’s extended family. I remember working for Edgar and Leonora on their farm. They were sure hard workers. I used to get stuck up in the hayloft stacking bales of hay and that was really hard work. I enjoyed working for both of them. Unfortunately we cannot attend the service as we are in Florida. Hello to the family.
