“ Linda was such a spit fire and a great nurse to work with. I'll never forget the decadent and very elaborate chocolate FOAM cake you made just for April fools day. I always looked forward to pot lucks because you'd bring the best treats. Your kind heart will surely be missed. I hope heaven is filled with all the tropical destinations.

“ Prayers and comfort to Jim and family. Linda was kind, compassionate, professional, knowledgeable and fun to be around. She was always happy to explain a procedure or process, and help you "learn". She had a fun sense of humor and always a smile that brightened the day. OH....and she was the best cook and baker!!! Loved her goodies she freely shared!!! She was an inspiration to all!

Oh Linda I only had the pleasure of working with you for 2 years in Berlin but I will never forget you. You were always so kind to me as a new grad Anesthetist. Your treats were wonderful but your infectious smile was better.
