“ Dearest Anna and Family~ Marcus, was one of the sweetest people I had ever met. Such a talented man and always so incredibly kind to Victoria. Over and above Marcus' sweet fun and smart soul, was his incredible love for his daughter. As a parent, I can honestly say Anna was his world. Through all his achievements in Hollywood, being Anna's Dad was the pinnacle of his life. She was his Oscar, his Star on the Walk of Fame and the Fireworks over his castle. I know he will be watching over all his loved ones, but especially Anna! I know, he is having lunch with Walt,...and he is the crowd's favorite Boat Skipper in The Jungle Cruise in The Sky. R.I.P Marcus. Heather, David and Family

“ Dear Leitha and family,

I was never fortunate enough to have met Marcus, but, I have never forgotten the great times I had as a younger child playing with you and Marvin. The trips you took to ND to see us will never be forgotten as will our summer vacation to see you folks in Illinois never be forgotten. Because of our relationship as children, my heart is full of sympathy for you and your family. I can't imagine what you are going through, but, know that you and all of your family are in my prayers. God be with all of you to help you through this very hard, sad time.

Love to you,

Donna Osborn Massie(second cousin)
