“ My sincere condolences to all the Getchius "kids". That's how I remember all of you. Your Mom was one of the sweetest ladies I ever knew in Seymour. And one of the strongest. I'll always remember her smile. You are in my thoughts and prayers. Peace be with you. Shirley Doepker Seymour

“ Doug and Lori and family know that neither time nor distance breaks the bond of friendship and we are keeping you in our thoughts and prayers as you go through the process of saying good-bye to your Mom. Memories will bring you comfort and these words mean a lot to me, "when the one you love is no longer where they were before it's because now they are everywhere you are."
