Her last months at Brown Wilcox you would see her working on puzzles, she would get them done and they would frame them and hang them up there. She enjoyed giving the staff a hard time but they enjoyed her dearly there.

To Kathy and her family,
I am so sorry I missed your mother's visitation or service. I remember all the times Don talked about her and your Dad and how he always felt welcome at your home whenever he came to small game hunt. I think your Mom and Don became good friends and she and I connected for awhile but then? She was a lovely lady and will be missed. With deepest sympathy,
Carol
