“ *Paul and I grew up together. I always thought he and I would be together until my dad transferred to Illinois. Then he was like a big brother until we lost touch. As a kid he was always so kind and helpful and would always protect me. I regret not staying in touch with him. I am sure he grew up to be that great man and his wife and kids were lucky. I lost my mom Oct 13, 2008 to brain cancer.....this is such a bad disease and I hope we find a treatment before we lose more great people. Paul say hi to mom (Carol) and I love you both. Thanks, Brenda K (Bowers) Farmer.*
