

Rebecca Lynn Daniels

June 5, 1982 - June 29, 2023

Rebecca “Becky” Lynn Daniels, age 41, of Berlin, departed on her final journey from this life on June 29, 2023.

Family was most important to her. Being there and doing whatever she could for them was something she never had to give a second thought to.

Welcoming Becky to Heaven are her grandparents, Marlin and Veronica Rodencal, Ken (Gladys) Daniels, Donna Daniels, and step-grandpa, George Helland; and nephew, Josiah Daniels.

Those left behind to miss her are husband, Jason Kolata; and closest family, her parents, Donald (Renee) Daniels and Enola LaPene; daughter, Alexis Happel; sons, Mykal and Lucas Shatzer; grandson, Asher Happel; sister, Carrie (Cody Holden) Daniels; brothers, Jerimie (Gina) Daniels and Dustin (Steph Phelps) Spanbauer; Tom, Neices and Nephews; her furbabies; other family and many friends.

Spending time with the brightest light in her life, grandson Asher was her greatest joy.

Niece Journee and nephew Jax were a close second.

Becky was always a free spirit. Never one to be traditional, saying and doing whatever she felt she needed to do.

Her greatest desire was to move to North Carolina and live between the mountains and the ocean.

Arrangements for Becky are with the Wiecki-Skipchak Funeral Home in Berlin. No service is planned currently. There will be a celebration of life at a later date for the family and closest friends.

“Please don’t cry for me, I will be with you always. In the touch of a breeze, rustle of leaves, scent of fresh cut grass and rain, and the songs of the birds I am here.

Remember me then, until I welcome you home by me.

“ My mame is Tom. Becky and I started talking last year and began developing a relationship. We communicated each and everyday and the bonding only expanded. We shared our experiences, both the hard times and good ones and just mingled. I brung plenty of joy to her life and it made me very proud knowing she was happy. She loved her family and worked hard to stay in pocket and provide for her kids. That was one of the things i respected most about her. I adored her giggle and loyalty toward our relationship. I felt she was going thru things internally but would not express it. That made it difficult, but did not force her to tell me. She felt at ease and protected so that was all that mattered. The tragic ending was caught by surprise and many tears i cried. She is now at peace with no pain. My heart will forever be with you Becky. Rest easy baby❤️
