“ I will forever be thankful to have known you Bob. Thank you for being so supportive during the restoration project for the WWII monument in Menomonee Falls back in 2010. You made such a difference as part of the AMVETS Post #5 and the project wouldn't have happened without your help. You helped maintain a lasting legacy for generations to come in that community. Thank you! I will miss you. Thank you for your service, your support, and your friendship. God bless you Bob.

“ Bob you defied the odds. I found you to be such a kind hearted man. I thought of you so many times since I first met you. Just so hoping you are now resting in peace my friend.
