“ Every Christmas, I think of Aunt Sue as I display the cross-stitched angel picture that she gifted to me forty years ago. Also, she had made my wedding cake. As the story goes, when she was ready to transfer the final creation from her kitchen to the reception hall, Uncle Jim and she realized that it was too wide to fit through the kitchen door! So, they took off the door and door frame to get it to the hall on time! What a gift of love that was!!!
