

Theresa Garcia

March 13, 1940 - August 4, 2025

It is with much sadness and sorrow that we announce the passing of Theresa Beatrice Garcia on the evening of Monday, August 4, 2025 with family and friends at her bedside.

Theresa was born on Wednesday, March 13, 1940 in Chicago, IL to two loving parents Albert Garcia and Virginia Medina. Theresa completed the 8th Grade and made the decision to start working at an early age to help provide for her family.

In Theresa's early years she was a Security Guard for new construction developments. She was then blessed with children and decided to become a Homemaker, which she loved very much. She was extremely passionate about taking care of her family. She enjoyed being a Nana to the neighborhood children that she babysat throughout the years. Theresa would often spend countless hours cooking her favorite meals (Albondigas, Enchiladas, Menudo, Pozole or Tamales) and desserts (Cupcakes, Cakes and Donuts) which she loved to share with friends and family.

Anyone who knew Theresa knew that she was most happy when she was spending time with her family and friends; whether it was outings for breakfast, lunch or dinner, trips to the Thrift Shops or days spent in Wisconsin Dells. In her spare time Theresa would be at the kitchen table, with a Crossword, Country Music playing in the background while her dogs slept at her side. The life she lived is not defined by her death but defined by the many memories she made through-out her life.

Theresa is survived by her beloved family; children, Ramon L. Lozada, Mario R. Lozada, Joseph A. Guaderrama (Significant Other, Julie Kurt), Natalia (Albert) Garcia, Albert Jr. (Bobbi Jo) Garcia, Christopher (Significant Other, Amanda Green) Garcia, David (Carmin) Garcia and her 14 grandchildren, 5 great grandchildren. She is further survived by her sisters, many extended family members and special friends; Maria, Shaddia, Aisha and

“ Theresa was a kind, caring, and compassionate soul whose warmth touched my life for the brief moment that I knew her. As a grandmother to my children, she poured her heart into every moment, creating memories filled with love, laughter, and her gift for storytelling. Her stories could captivate us weaving together her wisdom, humor, and the beauty of her many dreams and passions.

She taught me much about motherhood and about life itself—lessons that will remain with me forever. In the years when my children were little, we spent many weekends together, and I was fortunate enough to call her family for a time. Those moments remain some of my most treasured memories.

Though she has left this earth, the kindness she shared and the love she gave will continue to live on in the hearts of those who knew her. I wish her eternal peace and extend my deepest condolences to her family, to all who loved her, and to everyone who enjoyed the blessing of her presence.

She will be deeply missed and lovingly remembered.
