Thank you, for sharing a glimpse into a wonderfully lived life. It was a pleasure to share just a fragment of Tracy's life even in the difficulty of disease, she has seen Jesus today!

“ *Tracy, was a joy to get to know, as she came to worship at New Beginnings Christian Community Church in Westfield. She displayed a great faith and a great hope even in the midst of difficult circumstances. She never lost hope for her children and was so grateful for her family. I was blessed to know her and now with confidence know she is in the presence of Jesus! God's grace and peace to the family! In Christ Jesus you will see her again.*
